Once you're here...

WHEN IT COMES TO THE PHOTOGRAPHY part of your holiday, it's an *à la carte* menu but we particularly recommend the cranes at this time of year. Around four thousand spend mid-winter feeding in the harvested maize fields along the Loire, just 20 minutes from us. Otherwise, If you want to shoot from dawn to dusk, we'll do that. Or *just* at dawn and dusk, if you prefer. We can fill all day, every day for you but maybe you'd prefer to spend some time exploring our library of photography (and cookery) books. Or getting some lessons from Niall. Or just walking the quiet lanes through the traditional *bocage* landscape that surrounds our house and meadow.

We have two hides (blinds) overlooking a well-stocked feeding station and a reflection pool. Jays, great spotted woodpeckers, nuthatches and goldfinches visit regularly, while there more occasional appearances by hawfinch and brambling.

On chilly nights (and we might get snow!) we like to light the fire pit in the meadow and enjoy the very dark skies we have here. If you've never photographed the Milky Way properly, you have a good chance of doing so here.

Going a little further afield, we can take you to mediaeval villages, spooky abandoned châteaux, the UNESCO World Heritage sites of Hospice de Beaune and Vezelay and into the enchanting forests our region is known for.

So, the choices are yours. We will have a chat on Zoom before your visit so that we can create a programme and discuss menus, just as you want them- to make a Retreat to remember.

PHOTOGRAPHY

You take the pictures, we take care of the rest

WITH MANY YEARS OF HOSTING EXPERIENCE BEHIND US, we've become pretty adept at ensuring everyone is happy and has what they need. But for us, there is no better venue to extend our particular brand of hospitality than in our charming wee home and secluded meadow here in rural Nièvre.

When you stay with us, you have the use of the top floor of our house - about 50 sq. m- which comprises a bedroom with two single beds that can be fixed together or kept separate, each with a double duvet and electric blanket, a lounge and a shower room with toilet. A wall and curtains separate the bedroom from the lounge. There is a 55" Sony OLED screen to which you can connect your laptop to view your photos. Of course, you're welcome to come downstairs and be with us while we get things ready for dinner, even if it's just to relax in front of our wood burner. This is where we eat together, often joined by French or Dutch friends, some down from Paris, others who live in Saint-Seine year-round. We think it makes conversation more interesting and wide-ranging.

You are also welcome to use our Scandinavian-themed 15 sq. m log cabin in garden as a place to study, relax or process, out of the house. Les Saumais is your home-from-home- except that we take care of things for you so you can concentrate on the important business of relaxing and creating. It's hard to do one without the other.

You needn't worry about driving either; Niall will take you to all the locations you want to visit as well picking you up from Le Creusot TGV and returning you there at the end of your Retreat.

Questions, answered

This all sounds great but one-to-one service like this never comes cheap. So, how much for a week, "Chez-vous"?

Per person, GBP 2300, regardless of the season.

And that includes everything you mention here?

Yes, except your travel from home to Le Creusot and back, and alcohol.

I like the sound of these holidays, but to be honest, I'm not much of a photographer. I'd like to learn though, but is this ok for beginners?

Yes. We have the time to figure out what you want to learn and which teaching method suits you best. During a 30 year career, Niall has had lots of practice at teaching to all skill levels and is famously open about how he creates his own work.

Where can I learn about availability?

From our website, mail shots and here. Or just call us.

Is there wifi?

Yes, we have super-fast fibre optic broadband

I don't have much faith in our rail services these days. Can I just drive to you instead?

Yes, of course. The journey from Calais (avoiding Paris) takes about 9 hours. From Cambrai, about 6.

Can you take more than two guests at a time?

For Chez-nous Retreats, we take only two guests. But for our others, we can take up to 10.

I have quite specific dietary needs. Is that going to be a problem?

Charlotte has wide experience of producing delicious food for those with allergies and intolerances. Just tell us beforehand
